Client Instruction Guide:

1. Place all clothing items (which can be washed and dried together) in a disposable laundry bag (up to 75L). A standard black garbage bag is also acceptable: (65cm x 83cm or 26in x 33in).
2. Your dirty laundry should not weigh more than a large residential machine load (11lbs).
3. An example of a large load includes: 12 t-shirts, 6 pairs of socks, 3 skirts, 2 sweaters, 5 pairs of pants, and 4 pairs of underwear.
4. Ensure your laundry is ready 20 minutes before the scheduled pickup. You must also be present at home - Our drivers are always on the go, so please be ready hand over your laundry on-time!
5. Once your laundry is picked up by our team, you will be given updates on the status of your laundry.
